9:00		Opening				
9:30		WELCOME	Ion beam analysis and applications 1	Accelerator Mass Spectrometry 1	Application to life science	Applications to Cultural Heritage
10:00		Accelerator technology and development 1				
10:30		Break	Break	Break		Break
11:00		Accelerator technology and development 2	Development of novel technologies	Accelerator Mass Spectrometry 2		Applications to quantum and nano technology
11:30				Ion beam analysis and applications 2		
12:00						Closing
12:30		Lunch	Lunch	Lunch		
13:00						
13:30						
14:00		Ion beam modification of materials	Application to nuclear and particle physics	Ion beam analysis and applications 3	Excursion and Dinner	Visit PSI
14:30						
15:00						
15:30						
16:00	Welcome reception at the Laboratory of Ion Beam Physics	Poster Session A	Sponsor Talks and Ionplus Visit	Poster Session B
